

MT PLEASANT
DISCOVERY
MUSEUM

We are very pleased to announce the Morey Foundation's generous response to a hands-on children's museum in the Mid Michigan area. The Morey Foundation has committed \$1 million outright and up to \$500,000 in matching grants until 2012. Individual, foundation, and community group donations will be matched \$1/\$1 -- while church and school donations will be match \$2/\$1 -- the \$100 kids raise through a penny war or a popcorn sale suddenly becomes \$300!

We need the community's help. Please consider creatively giving toward our museum effort. The potential for the second million means heaven and earth in a \$3-\$4 million dollar capital campaign.

All you need to do is:

- 1) Raise money or send money in (either through the mail or on-line)
- 2) Include all pertinent information (name/group, contact information, how it was raised)
- 3) We will reply with a letter confirming the gift both to thank you and for tax exemption purposes.

Thank you for your creative application of this generous gift. For additional questions or concerns, please contact:
