THE MOREY FOUNDATION TAKES INTEREST IN THE MT. PLEASANT DISCOVERY MUSEUM.

The Morey Foundation is pleased and honored to announce its support of The Mt. Pleasant Discovery Museum. The Morey Foundation has pledged one million dollars towards the project of building a hands-on children's museum in our community. In addition to a grant supporting the museum efforts, The Morey Foundation is pledging an additional matching grant option. It is the intent to match dollar for dollar for any established community organization, foundation, or individual donation; along with a match of two dollars for each dollar raised by any church or school organization up to the sum of \$500,000.

The Mt. Pleasant Discovery Museum will be hosting a Magnetic Field Exhibit on Thursday, April 22nd from 7 p.m. to 9 p.m. at the Museum of Cultural and Natural History; CMU Rowe Hall. This will be an evening to learn about the project and share in the future plans to open a hands-on children's museum in Mt. Pleasant.

For more information on how you can become involved, The Mt. Pleasant Discovery Museum can be contacted at info@mpdiscoverymuseum.org or (989) 944-5011.
